#### Notes:

- 1 Players in the championships must play off the same handicaps as they did for the 1st leg:
    - these are the numbers in ordinary brackets immediately after the players' names;
    - An "F" means the player played off the Forward tees in the first leg.
  - 2 The numbers in the square brackets are the Stroke & Stableford scores achieved in the 1st leg.
  - 3\* **In the interests of speeding up play players are encouraged to disqualify themselves from the Medal competition when it is obvious they cannot be in contention.**
  - 4 T-times 12h56 & 13h03 off the 1st tee are the seeded Stroke players
  - 5 T-times 12h56 & 13h03 off the 10th tee are the seeded Stableford players
  - 6 One card per player to be marked by another player.
  - 7 Those playing off forward tees must deduct 2 strokes from their handicaps (per SAGA handicap manual).
  - 8 The last 4-ball is to please bring home the nearest-the-pin marker.
