

Dear Secretaries

“The French Senior Golfers Association (ASSGF) together with the Senior Golfer Association of Europe (ESGA) have invited the Senior Golfers of South Africa to enter teams for the 2022 ESGA Championship and Cup to be held in France in August 2022.

The website detailing all the information is posted on the SGUSA website for easy access. The website Address is https://plus.assgf.org/ESGA_Champ/index.php

In the past SGUSA has not been involved in selecting teams or doing the entries and other administration. It is up to the individuals who want to form a team from their Society to enter and do the necessary administration. Sgusa would request that Societies simply notify ourselves of the names of those Seniors who will attend for our records. We have had many teams attend the ASSGF championships in the past.

To date we have one team that has shown interest from EP and we suggest to Societies that they pass this information on to their members and get those members interested to enter as soon as possible. Entrants must be members of one of the official Senior Golfers Societies of SA. To enter a team simply hit the enter button on the bottom right of the home page of the official above website.

If you have any queries please contact me for assistance.”

Regards

Frank Rosslee
